

LOOK!

NO FINE PRINT.

At Maine Pointe, our engagements consistently deliver an average ROI of 6:1. And we guarantee a minimum of 2:1.

Here's how:

- We develop a customized savings agreement based on the findings of a detailed analysis. The agreement establishes goals and the metrics used to monitor results.
- You track your savings by the established metrics. Progress is monitored on a regular basis.
- Maine Pointe will refund a proportional amount of the fee or continue working until the minimum savings goal is achieved.

No wonder 7 out of 10 clients hire us for a repeat engagement. To find out more, visit us online at mainepointe.com or call 617.273.8450.
