# Differentiated, Scalable Solutions to Enterprise Growth and Market Value

Whether through acquisition, a strategic partnership or Joint Venture, a contract manufacturer relationship or replication of a successful existing business model in a new state market, **Strategic Impact Partners (SIP)** is uniquely equipped to facilitate development of your cannabis enterprise **expansion strategy** and its **operational implementation**.

One of the greatest advantages that SIP offers is our **uncommon breadth of experience** in the strategic, operational, and competitive contexts that you must navigate every day. We've **logged years in the trenches** conceptualizing, architecting, implementing, scaling, and accounting for the solutions that are required to advance your development goals.

SIP can support **site selection** and the **infrastructure requirements** for any state market. Our partners include real estate acquisition specialists along with design-build teams of contractors, architects, and engineers in addition to legal and financial experts – all known for their success creating marquee industry projects in cannabis cultivation, processing, and manufacturing facilities.

We provide **end-to-end project management** throughout the license application process and can analyze your **Standard Operating Procedures**, stay ahead of and complete the complex **compliance requirements**, and help implement a culture of **quality consistency** through the lens of the **very particular regulations** of your next target state market.

**Product consistency** is critical for brands expanding nationally and for MSOs establishing new local state footprints. **Operations excellence** drives product consistency. SIP's strategic sourcing, quality assurance, and compliance experts can ensure your enterprise utilizes the most advanced supply chain practices to align the quantity and quality of critical inputs with a consistent **brand excellence**. **Customer delight** can reach new heights with SIP's 25+ years of legacy experience in revenue building, valuation driving go-to-market programs. We help CEOs and brands break out and influence through impactful **Thought Leadership** programs.

Our team produces the required results, in part, by leveraging our diverse relationship network that includes private equity firms, investor groups, wealth managers, UHNW/family enterprise trusted advisors, family offices, corporate C-suites and other operating influencers. We secure the right relationships for the long-term potentiality of all parties.
