

# ESG Boot Camp for C-Suite Leaders and Board Directors

- ▶ Get past the distractions and acquire a clear, sensible path forward using ESG as a growth and competitiveness driver.

What Is ESG?  
Why Should You  
Care?

Separating  
Essentials from  
Noise: What's  
Right for You?

Jumping In:  
Getting You and  
Your Initiative  
Up to Speed  
Now

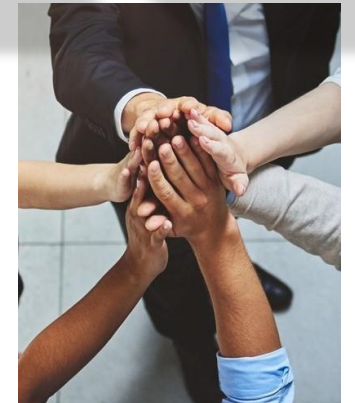

Why the Market  
Construct  
Matters:  
Shareholder to  
Stakeholder  
Capitalism

Conscious  
Leadership and  
Governance

Taking  
Competitive  
Advantage:  
ESG and  
Corporate  
Integrity in  
Practice

*A highly interactive, immersive series of modules to help executives and Boards get clear, gain confidence, invest proportionately, and act impactfully on the ESG opportunities that are right for them. Facilitated by leading SMEs, including special guests.*

Program custom designed; includes a comprehensive analysis, road map and more toolbox items as well as follow-up coaching.
